Shirt Rental Details:

The Pathfinder Tan Dress Uniform Shirt is rented from the club for \$10.00 per year. This fee is charged as a registration fee. Upon completion of the Pathfinder year in May, we ask that each Pathfinder please return the shirt. Using the rental system eliminates the need for the Pathfinder to buy a new shirt every year as they grow. Tan shirts, complete with all necessary patches, cost \$24-\$37 each, depending on size.

If a staff member or Pathfinder prefers, they may buy their own uniform & patches directly from www.Adventsource.com and we will supply the Conference and Club patches for \$5.00. This may be a good idea if the Pathfinder is done growing and would like a new uniform that will last the rest of his/her life.

Signature:

Please check the box that applies then sign and date.

I, the parent or guardian of the child/children listed above, understand the importance of returning the shirt and agree to pay for the shirt if we fail to return it in reasonably good condition by June 1 of the current Pathfinder year.

Signature: _____ Date: _____

We do not need to pay the \$10 registration (shirt rental) fee because our Pathfinder already owns a shirt complete with the correct patches or we plan to buy a new shirt and add the correct patches.
